

Experience 2

Look at the chart below for a list of activities and special daily items to pack in addition to the ones listed above. Every day, show up at Emmorton Rec Center to catch the ride to our adventure destination of the day.

Parents are welcome to attend for free any day, unless fees apply. You may need to drive, if our transportation is full. Consider your fitness level for especially the Billy Goat Trail. We will require a med form for you, should you join us any day.

Also, remember that, for an extra \$50, you can get a ride home from Mr. Pritchard (provided it's not too far)

There are a few things you need to bring to camp every day, when you come at 8:30. They are listed below:

- * A day pack (like a school book bag)
- * A bagged lunch
- * At least 1 liter of water
- * A plastic bag of dry clothes (just in case you want to change)
- * A towel
- * Closed-toed shoes for water (old tennis shoes work best.)
- * Sunscreen and bug repellent
- * \$5 for snowball stand
- * A hat
