

Frequently asked Questions about
Emmorton Rec's program,
EcoTech Summer Camp

Do you sign up for the whole summer?

No, each week is a separate program with its own activity and pricing. Details and itineraries are on the website.

What are the prices? (* indicates Thursday overnight)

Session title	Dates	Price
Survival Week (4 days)*	7/5-8	\$425
Wet 'n' Wild Water Week 1	7/11-15	\$350
Survival Week 2*	7/18-22	\$475
Wet 'n' Wild at the Beach*	7/25-29	\$600
The Experience	8/1-5	\$370
Wet 'n' Wild Water Week 2	8/8/12	\$350
Best of EcoTech*	8/15-19	\$550

What are the age restrictions?

Ages 10-14 (We have been known to bend age limits, on occasion.)

What is the ratio of kids to teachers?

Short answer : 7:1 We always have at least three adults with us, and our groups rarely exceed 20 kids, and when it does, we hire more staff.

What are the qualifications of these teachers?

Jim Pritchard is a Maryland certified teacher with 26 years of experience teaching science. He currently teaches at Southampton Middle School, HCPS. He's taught this program for over 20 years.

Avery Pritchard is a MD certified teacher, who has two years teaching experience at Stricker Middle in Baltimore County. She has been running **EcoTech Summer Camp** with her dad for about eight years.

Sarah Davis is a sophomore studying Marine Science at Coastal Carolina University. She's worked at **EcoTech** for the past five years.

Can parents attend any days?

Parents are welcome every day, but they'll need to pass the background check required by Emmorton Rec Council, if they plan to come on an overnight.

For further info, just call Mr. Pritchard at 443-243-9440.
