

HISTORY OF ECOTECH SUMMER CAMP

EcoTech Summer Camp has been educating middle school students in environmental science for over 20 years. Mr. Pritchard has gone through a few straw cowboy hats.

EcoTech has a rich history of getting kids outdoors. How did we get our start?

- 1993 – Loch Raven Academy, School of Environmental Science, EcoTech is invent to be an enrichment of environmental and Technology Education at LRA.
- 1998 BCPS Office of Summer School takes over EcoTech supervision.
- 2003 EcoTech moves into Parkvile Parks and Recreation.
- 2007 – Mr. Pritchard switches to Harford County Public Schools and moves EcoTech to Harford Community College for Kids.
- 2010 EcoTech became a program of Emmorton Rec Council.
